Taking God's word to those who haven't heard.

How did that get there?

Dear Brothers and Sisters in Christ,
Before moving forward in 2022, let's celebrate what God did in 2021 with a few highlights from my newsletters.

"I am excited to see what God holds in store for me in 2021." (January 2021)

"Oh to think that in the future by God's grace, you and I will be able to participate in a scene (the light of God's Word shining into people's lives in their own language for the first time) of God's glory similar to the one described above with another people group." (February 2021)

"The college group at Sublett Road had a get together at a local park." (March 2021)

"I finished my 3rd term of school at DIU. Also, Sublett Road Baptist church ordained me on May 8th. In April, through God's provision, I was able to quit working at Cracker Barrel so that I can now focus my full energy on school, partnership development, and church work. God is good." (April 2021)

"God accomplished much this summer through all of us together. God allowed me to share His work of Bible Translation and world missions at 30 different churches, the American Baptist Association meeting, Cumberland Baptist Institute, and with many individuals. He helped me to finish another term of schooling by giving me safe and stable places to stay, internet access, and wonderful hosts." (August 2021)

"This month I preached and shared the work of Bible Translation in Texas, Alabama and Arkansas at five different churches... I have recently taken the next steps that could be very telling in seeing where God will open doors for me to go. Please, pray as God continues to lead me through this process." (September 2021)

"By God's grace, since I last wrote to you, I have shared and preached at 15 churches in Louisiana, Texas, Mississippi, and Arkansas." (October & November 2021)

In December, I finished my fifth semester of classes at DIU. I'm so grateful for how God has provided and worked this year through us as we partner to take His word to those who haven't heard.

Love in Christ,

Matthew Thompson
